<sup>1</sup> As of August 10, 2004, the cash assets are earning interest at a rate of official British Bankers Association One-month LIBOR minus 0.08%.

<sup>2</sup> Valuation provided by former investment managers, Ellington Management Group, LLC. As no revenue has been received on any of the CBOs since February 2004 and per our discussions with Ellington Management Group, LLC, to be conservative we have written down the value of the CBOs to zero. However, it is expected upon liquidation of these securities, they may have some value (which is not currently determinable).

<sup>3</sup> Certain professional fees incurred by the feeder funds have been paid out of the assets of the Master Fund. Prior to the distribution of funds, these expenses will be apportioned to the respective feeder funds, as shown above.
