| MICHAEL E. KELLY |) | |

**AGREED ORDER MODIFYING
CONDITION OF PRETRIAL RELEASE**

Defendant Michael E. Kelly, through his counsel, has presented evidence to this Court that the doctors currently treating his colorectal cancer have determined that surgery is required and have scheduled such surgery for April 1, 2013 at the IU Health Goshen Center for Cancer (Goshen Center) located in Goshen, Indiana. The defendant has requested that the conditions of his pretrial release for treatment of his cancer be modified to allow him to have the surgery. The government has no objection to these modifications.

Therefore, IT IS ORDERED: that defendant Kelly is allowed to have the surgery; that the defendant is to report to the Pretrial Services Office in South Bend, Indiana on the morning of April 1, 2013 to have his electronic monitor transmitter removed; that the defendant is to then proceed directly to the Goshen Center for the surgery and remain there until the defendant is immediately released; that Pretrial Services verify on at least a daily basis by telephone or otherwise that defendant is at The Goshen Center; that, upon being medically released from The Goshen Center, the defendant is directed to proceed directly to the Pretrial Services Office in South Bend, Indiana to have his electronic monitoring

transmitter reattached; and that, after the electronic monitoring transmitter is reattached, the defendant will proceed to and remain at this current residence.

IT IS FURTHER ORDERED that the defendant is directed to pay the costs of his electronic monitoring not to exceed \$5.15 per day.

All other conditions of release as set forth in the order of December 13, 2012 remain in effect.
