Re: *Commodity Futures Trading Commission vs. Watson, Potts and Cash Flow Financial, LLC et al*, U.S. District Court, Eastern District of Michigan, Southern Division
Case No. 11-cv-10949, Honorable Mark A. Goldsmith

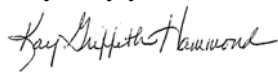

The Receiver filed his **Motion for Order Ratifying Approved Investor Claimants List and Authorizing Distribution of Receivership Assets and Memorandum in Support of Motion for Order on December 7, 2015**, detailing his recommendation for issuance of the first distribution. A copy of the Motion and Memorandum in Support of Motion may be found at www.cffreceiver.com under Pleadings.

As reflected on Exhibit B, beginning on page 57 of the Memorandum in Support of Motion, the Receiver has recommended that all approved investor claimants receive approximately 20.312% of their ANIC in the first distribution. By using your file number, you will see in column E what your first distribution share would equate to. Exhibit C, beginning on page 95 of the Memorandum for Order, reflects those investors whose claims were denied and/or did not have a positive ANIC.

Please also be advised that we do not currently have a timeline for distribution of funds. The above-mentioned Motion must be approved by the Court before we may move forward with distribution. We do not know when the Court will rule on the motion, but will advise you when this does occur.

As always it is the investor's responsibility to keep their contact information current. If you have recently moved or changed your contact information *and have not already contacted our office*, we would request you do so as soon as possible via e-mail at cffreceiver@stengerlaw.com or via telephone at (877) 512-2483. We will respond to investor calls/voicemail messages and e-mails in the order in which they have been received. Due to high call and email volume, please know that we are returning calls and emails as quickly as possible.

Very truly yours,

Kay Griffith Hammond, Attorney for Receiver
